## A WORD ABOUT FLOUR

Recently the Pure Food Commission has found that some so-called high grade flour was adulterated. The wheat was put through a bleaching process, which permitted the use of a very inferior grade, and various foreign substances were added and the mixture sold as first-class flour. To be positively sure you do not get some of that condemned flour, you would do well to buy our guaranteed brands. Brands that have stood the rigid tests of the Pure Food Commission and were pronounced strictly pure, high-grade flour, such as "Dorsey's Best" for bread, at \$7.00 per barrel; St. Lawrence, for pastry, at \$6.25 per barrel; "Gold Star," for either bread or pastry, at \$6.50 per barrel. Our motto: "Not how cheap, but how good."

### WINTER IN VERMONT.

Some had made up their mind that we were not going to see any winter weather. Don't you fool yourself. We will see plenty of Vermont winter weather and see it right now. When the mercury drops out through the bottom of the thermometer, as it did in lots of places Wednesday morning its time to think of our Half-price Winter Clothing.

### WINTER GOODS

Kinds that this weather calls for—the kinds that you can save money on.

If you are poor, all the more reason for thinking of this sale, as you can get a warm garment that is not quite as good style at a very small price.

Just say that you want a good warm coat for a child or lady at a small price, and see how near we will come to your idea and price.

### WINTER GOODS

Children should be dressed warm, as they do not always have the judgment of older people as to when they are really cold.

Ladies' Coats with fur collars are the kinds for this weather and ours are priced for selling, not for profit. (We took our loss on these when we took stock.)

All of our Fur are in this same lot; it's this—get rid of them at a loss, rather than pack them away.

### WINTER GOODS

There are few pairs of those Wool Blankets left at markdown prices (yes, some of them at less than cost).

There are a few of those damaged Bed Quilts on our table to close.

Munsing Underwear, the warm kind, comes into use pretty well these cold mornings.

Dr. Denton's Sleeping Garments for the children keep them from kicking out these cold nights.

Those 10c and 12 1-2c Ginghams with 4c Thread Lace to trim are selling very fast.

## Friday and Saturday Market News

Really, we've got so much that is good that it's pretty hard to pick out any particular thing and tell you about it. To do this is almost doing an injustice to the other stuff. We did it last week and the week before, however, and spoke of Pork Loins and Hams. Folks who bought them at the prices we sold them for, did not regret their purchase. We know because many of them have come in since and told us so and bought something else. Just to mention a few things that you ought to have at our prices—there are Chickens, Sausage, Fresh Pork, Apples, Lettuce and Onions. Take home for breakfast a fine fresh Western Steak, tender and juicy at 15c lb. That price is a specimen of the others that prevail at our market. Don't forget it's handy to phone us your order and we'll fill it just as well as if you were right here to oversee it. But come in and see us if you can. We deliver promptly. Tel. call, 15-11.
